*The International Organisation for Compliance Professionals,  
MLROs and Senior Managers in the Financial Services Industry*

## MEMBERSHIP INFORMATION

### SECRETARIAT

Enterprise House, P O Box 843, Greenleys, Milton Keynes, MK12 6YZ, United Kingdom.  
Telephone: (01908) 322450; Fax: (01908) 220213.

## MISSION STATEMENT

- To be a world-class international organisation for compliance professionals in the financial services industry.
- To be a leader and standards-setter in the education, training and career development of compliance professionals.
- To assist and enable compliance professionals, MLROs and senior managers to contribute to the continuing development of quality standards, best practice and efficiency in the financial services industry.

## MEMBERSHIP POLICY

It has been our policy since our launch in 1995 to encourage chief executives, managing directors and other senior managers (in addition, of course, to compliance personnel) to join as members. The reasons are mainly as follows:-

- Compliance cannot be effective without the unequivocal support of senior management.
- By becoming members, senior managers will have a better understanding of compliance issues and concerns and will therefore be in a better position to support compliance.
- As an organisation, we will strive to have the right “balance”. In this respect, senior management has a crucial role to play by contributing to the development of our strategies and policies in meeting the professional needs of our members. We recognise that without the ability to see the wider concerns of senior management may and can lead to a very distorted and dangerously inadequate picture.

## OUR APPROACH

- As an organisation, our approach is to aim to be the “doers” rather than the “talkers”. As the saying goes, actions speak louder than words. We firmly believe that our track record speaks for itself.
- In the formulation of policy and strategy, we welcome the views of members. In addition, we have the wise counsel of our Academy of Compliance Excellence (ACE) whose members are all eminent compliance professionals. Annually, ACE plays a pivotal role in determining the winners of The Compliance Register Platinum Awards® for Outstanding Service to Compliance and Regulation.

## **MEMBERSHIP SCHEMES**

- There are two membership schemes, namely Individual and Corporate. All memberships are due for renewal annually on 1<sup>st</sup> July. There are special arrangements to cater for those who are applying between April and June each year. Please contact our Secretariat for details.
